LBN Horizontal, Self Contained

**End View with optional lighted superstructure**

**LBN-6 with optional superstructure**

**NEMA 5-15P  
All Models  
(Except LBN-10)**

## Design

Contemporary new design with softer lines that accent product display area. Radius top counter, top glass rail and case end area. Large 10" front window provides 67% more product viewing area. "Sweep back" design of lower merchandiser area enhances product visibility and provides customer "toe" space for easy access to product display. Improved product design and visibility stimulates impulse product sales.

## Construction

Built to last with minimum maintenance. Durable white powder coated paint exterior finish. Standard front bumper design protects merchandiser front. Tempered glass fog-resistant lids. CFC-free foamed-in-place urethane insulation.

## Refrigeration

All models feature refrigeration systems utilizing R404A CFC-free refrigerant. Slide-out refrigeration and electrical components accessible from front. Front air discharge for positioning merchandisers back-to-back or against wall\*\*. NEW vertical louver access panel design improves air flow and performance.

## Warranty

Five years against insulation failure or leaks in the insulated area. Five years against failure of compressor. One year against defective materials or faulty workmanship, including labor.
